While analysis of the consumer survey was performed for all commercial health maintenance organizations (HMOs) in Texas, only the results for the plans that provide services in the Panhandle/Plains Texas area are featured in this section of the report.

*Not all HMOs provide services in each county listed here. HMOs whose service area is mainly in another region of the state are included in this section if their service area extends into at least one county in the Panhandle/Plains Texas region. The city/area shown after the name of each HMO indicates its main area of service. Contact plans directly for details on the areas they serve.*

If your HMO is not included in the following section, it may be exempt from participating in the survey due to its low enrollment or its short time of participation in the Texas commercial HMO market during 2006.
