Sources of Financial Information

Several organizations publish information about the financial strength of HMOs and other insurance companies in Texas. The financial condition of a health plan can impact its ability to timely pay claims and, in extreme cases, may affect quality of care. Unusually high complaint levels against a health plan, especially by medical providers, are sometimes an indication of poor financial condition.

For financial strength ratings of Texas health plans,
you may contact the following organizations:

A.M. Best
www.ambest.com
(908) 439-2200

Fitch Ratings, Ltd.
